

Standard Corporate Shipping Policy

Document ID: POL-SHP-2026-V1 | Effective Date: January 1, 2026

1. Overview and Purpose

This Shipping Policy outlines the terms, conditions, and procedures governing the shipment and delivery of physical goods purchased from Global Retail Solutions Inc. This document serves as the single source of truth for both customers and internal support agents regarding order handling times, carrier services, delivery rates, restrictions, and lost parcel claims.

2. Shipment Processing and Handling Times

All standard orders are processed within **1 to 2 business days** (excluding weekends and statutory holidays). Orders containing custom or personalized items require an additional **3 business days** for production prior to dispatch.

Orders placed after 2:00 PM EST on Fridays or over the weekend will begin processing on the following Monday morning. Customers receive an automated tracking notification email immediately upon label creation.

3. Domestic Shipping Options and Delivery Rates

We offer flat-rate and expedited tier shipping within the contiguous United States. Free standard shipping is automatically applied to any domestic order total exceeding **\$75.00 USD** before taxes.

Shipping Tier	Carrier & Service	Estimated Delivery Time	Flat Rate Cost
Standard Shipping	FedEx Ground / UPS Regular	3 to 5 business days	\$5.99 USD (Free over \$75)
Two-Day Expedited	FedEx 2-Day Air	2 business days	\$14.95 USD
Overnight Delivery	UPS Next Day Air	1 business day	\$29.95 USD

4. Delivery to P.O. Boxes and Military Addresses

We deliver to standard physical residential and commercial addresses. Shipments destined for **P.O. Boxes, APO, FPO, or DPO addresses** can only be handled via the United States Postal Service (USPS). Premium expedited tiers (Two-Day and Overnight) are not available for military or post office box destinations due to carrier integration constraints.

5. International Shipping, Customs, and Duties

International delivery is supported for select countries in Europe, North America, and Asia-Pacific. International shipping costs are calculated dynamically at checkout based on weight, dimensions, and destination country.

Important Note on Customs: The recipient is the importer of record and must comply with all import laws of the destination country. Orders shipped outside the United States may be subject to import taxes, customs duties, and brokerage fees levied once the shipment reaches your country. **These additional charges are entirely the responsibility of the recipient.** Global Retail Solutions Inc. has no control over these metrics and cannot predict their final cost.

6. Lost, Stolen, or Damaged Shipments

If your tracking information indicates that your package was delivered but you have not received it, you must report the discrepancy to our Customer Support team within **7 calendar days** of the stated delivery date.

For packages damaged in transit, please take photographs of the damaged outer packaging and individual items immediately. File a claim via our portal or contact support within 48 hours of receipt to initiate an expedited replacement shipment.

7. Order Modifications and Cancellations

Because packaging begins shortly after order placement, requests for address modifications or total order cancellations are only guaranteed if received within **60 minutes** of the original checkout timestamp. Once a tracking number has been generated, the package cannot be intercepted or modified in transit.
